On 1 October 2022 XLV, the Republic of Molossia hosted the 2022 Misfit Regatta. Inspired by the famous Henley-on-Todd Regatta held in Alice Springs, Australia, the Misfit Regatta is a dry land cardboard boat race. It takes place on Misfit Flats, some 16 Imperial Nortons (16 km / 10 mi) east of Molossia. Famed for being a filming location for the Clark Gable/Marilyn Monroe movie "The Misfits", the Flats are an open, dry lakebed, perfect for racing. At 11:14 AM Molossian Standard Time (MST) the racers arrived at the race location and helped set up the start and finish lines. Then at about 11:39 AM MST the first race took place, with cameras rolling and spectators cheering. There were several races held, including kids only, group and group backwards, guys only, ladies only and sideways. A total of nine racers competed, and competed with all their might with much to be proud of. After six races, the event ended with a demolition derby, generally destroying the cardboard "boats". This year's Regatta was a resounding success, the sixth of many, with one planned every other year at this time. Future races may include an obstacle course and a competition for best "boat". Well done racers, and see you in two years!
On 29 October 2022 XLV, His Excellency, The President and the First Lady participated in the annual Nevada Day event. Located in Carson City, Nevada, this event celebrates the anniversary of the admission of Nevada as a state. Nevada was admitted to the Union on 31 October 1864. At that time, the state was a significant producer of silver and gold, and therefore played a major role in financing the Union war effort during the United States Civil War. Nevada’s admission as a state helped not only to pay for the War, but ensured a northern majority in Congress afterward.

The annual Nevada Day celebration includes the Nevada Day Parade as well as a number of other events. The parade is the showpiece of the day, and includes Nevada dignitaries as well businesses and organizations, and of course our President and First Lady. The parade route stretches for about 1.2 Imperial Nortons (1.2 km) through the middle of Carson City, the state capital of Nevada. Along the route several reviewing stands are set up, with announcers introducing each parade entry. As years go by the announcers get better and at pronouncing the name of our nation correctly. As the President passed the spectators many called out, recognizing and applauding the First Couple. Molossia is increasingly well known and appreciated among the local residents as the sovereign nation right down the road from them, inside their own state. Eventually the parade ended and after attending a few other Nevada Day related events, the First Couple returned to Molossia. A fine time was had by all and as always we all look forward to next year’s Nevada Day!

Hello All, November is here and that means the holidays are here! We have so much to be thankful for this year. As with most nations our people come first, that is no exception here in Molossia. Our people are our family. We are excited to see the little ones take on the holidays this year. As they grow, they get accustomed to our traditions. We have an entire generation that has always been a part of Guy Fawkes, The Misfit Regatta, the Nevada Day parade and many other Molossia traditions. With the Chief Constable off at Basic Training, the holidays will be a bit different this year, but exciting nonetheless. She will get to come home for Christmas, so that is very exciting for all of us! She will miss some of our holiday traditions but not all. It’s funny when doing something year after year not even realizing that it has became a tradition until someone does it with their family. It is so neat watching our grown children keep our traditions alive with their own families. This is exactly why Molossia exists, to create an impact on the world, a living legacy.

What are some unique traditions that you do with your family? We would love to hear about it. Tweet us @molossia and let us know. We might even make it part of our lives!

Thank you all and until next time.

Be the gift you’d like to give others. A smile goes a long way!
