MOLOSSIA WEATHER

Molossia's weather is always gorgeous, with plenty of sunshine and temperatures year round of 22° Celsius (72° Farenheit). However, our little country is surrounded by the US and they are so close, their awful weather invades frequently! So, the weather report reflects both our weather and theirs.

	Molossia	US
Maximum Temperature	22° C / 72° F	33° C / 91° F
Minumum Temperature	22° C / 72° F	12.7° C / 55° F
Average Temperature	22° C / 72° F	22.7° C / 73° F
Monthly Precipitation	0	5mm / .20in

A Few Words From The President

As autumn arrives in the Republic of Molossia, the desert landscape takes on a special charm. Cooler breezes sweep across the nation, golden sunlight dances over the hills and the changing season brings a welcome respite from the summer heat. With Halloween, Molossians can enjoy a bit of spooky fun, festive decorations and perhaps a few tricks and treats. Beyond that, fall is a season to be thankful, and to reflect on our many blessings, appreciate our friends and neighbors and give thanks for the wonderful things that make out nation so special . It is a splendid time to enjoy Molossia's unique beauty, celebrate our independent spirit and give thanks for another wonderful season in our beloved little nation. Long Live Molossia!!

*Saturday, Date TBD September 2027 L, 10:00 AM PST
*Saturday, Date TBD October 2027 L, 10:00 AM PST - Last Tour of the Year

2026 NEVADA DAY

On 31 October 2026 XLIX, His Excellency, The President and the First Lady, accompanied by First Son Carson and First Grandson Bradley, participated in the annual Nevada Day event. Located in Carson City, Nevada, this event celebrates the anniversary of the admission of Nevada as a state. Nevada was admitted to the Union on 31 October 1864. At that time, the state was a significant producer of silver and gold, and therefore played a major role in financing the Union war effort during the United States Civil War. Nevada's admission as a state helped not only to pay for the War, but ensured a northern majority in Congress afterward.

The annual Nevada Day celebration includes the Nevada Day Parade as well as a number of other events. The parade is the showpiece of the day, and includes Nevada dignitaries as well businesses and organizations, and of course our President and First Lady. The parade route stretches for about 1.2 Imperial Nortons (1.2 km) through the middle of Carson City, the state capital of Nevada. Along the route several reviewing stands are set up, with announcers introducing each parade entry. As years go by the announcers get better and at pronouncing the name of our nation correctly. As the President passed the spectators many called out, recognizing and applauding the First Couple. Molossia is increasingly well known and appreciated among the local residents as the sovereign nation right down the road from them, inside their own state. Eventually the parade ended and after attending a few other Nevada Day related events, the First Couple returned to Molossia. A fine time was had by all and as always we all look forward to next year's Nevada Day!

2026 MISFIT REGATTA

On 5 October 2026 XLIX, the Republic of Molossia hosted the 2026 Misfit Regatta. Inspired by the famous Henley-on-Todd Regatta held in Alice Springs, Australia, the Misfit Regatta is a dry land cardboard boat race. It takes place on Misfits Flat, some 16 Imperial Nortons (16 km / 10 mi) east of Molossia. Famed for being a filming location for the Clark Gable/Marilyn Monroe movie "The Misfits", the Flat is an open, dry lakebed, perfect for racing. At 5:09 PM Molossian Standard Time (MST) the racers arrived at the race location and helped set up the start and finish lines. Then at about 5:30 PM MST the first race took place, with cameras rolling and spectators cheering. There were several races held, including kids only, adults, group and group backwards, guys only, ladies only, sideways and spinning. A total of eight racers competed, and competed with all their might with much to be proud of. After eight races, the event ended with a demolition derby, generally destroying the cardboard "boats". This year's Regatta was a resounding success, the eighth of many, with one planned every other year at this time. Future races may include an obstacle course and a competition for best "boat". Well done racers, and see you in two years!

The Last Word From The First Lady

Hello all! November is here and this year is flying by! I'm looking forward to the holiday events that we have planned. Being with your favorite people, rather it be friends or family, just makes life that much better! We all need someone in our life that we can call and just talk to freely. Many of us deal with stressful days or may be struggling with anxiety or depression. Being able to let out some of the things that bother you is very important. Sometimes just saying the issue out loud allows you to listen to it and you may come up with a solution or feel better about it all on your own. Sharing your struggles with a friend is not always asking for help, just a listening ear. Once you know who your person is, you may want to ask yourself whose person can you be? Can you be someone's listing ear? Comforting your friends is a special gift. Sharing your warmth and your time can really mean a lot. Sometimes your time can be the best gift of the season!

Thank you all, and until next time…

Let the sun shine on your shoulders and keep a smile in your heart.

~Adrianne
